

82090 Health and Safety Services

(a)

Waivers or exceptions will not be granted to accept or retain clients who have health conditions prohibited by Section 82091(a).

(b)

The Department may grant an exception allowing acceptance or retention of a client who has a medical or health condition not listed in Section 82092, Restricted Health Conditions, if all of the following requirements are met: (1) Either the condition is chronic and stable, or it is temporary in nature and is expected to return to a condition normal for that client. (2) The client must be under the medical care of a licensed professional. (3) The licensee has developed a plan of care for the client as specified in Sections 82068.2(f) and 82092.2(a). (4) The client is able to care for all aspects of the condition. (5) If the client is unable to care for all aspects of the condition, a licensed professional, or facility staff who receive supervision and training from a licensed professional, may assist the client in the care of the condition. (A) Training shall include hands-on instruction in both general procedures and client-specific procedures. (B) The licensee obtains from the licensed professional written documentation outlining the procedures and the names of facility staff who received the training. (C) The licensee ensures that the licensed professional reviews staff performance as the licensed professional deems necessary, but at least once a year. (6) The licensee

agrees in writing to comply with all aspects of the client's care plans.

(1)

Either the condition is chronic and stable, or it is temporary in nature and is expected to return to a condition normal for that client.

(2)

The client must be under the medical care of a licensed professional.

(3)

The licensee has developed a plan of care for the client as specified in Sections 82068.2(f) and 82092.2(a).

(4)

The client is able to care for all aspects of the condition.

(5)

If the client is unable to care for all aspects of the condition, a licensed professional, or facility staff who receive supervision and training from a licensed professional, may assist the client in the care of the condition. (A) Training shall include hands-on instruction in both general procedures and client-specific procedures. (B) The licensee obtains from the licensed professional written documentation outlining the procedures and the names of facility staff who received the training. (C) The licensee ensures that the licensed professional reviews staff performance as the licensed professional deems necessary, but at least once a year.

(A)

Training shall include hands-on instruction in both general procedures and client-specific procedures.

(B)

The licensee obtains from the licensed professional written documentation outlining the procedures and the names of facility staff who received the training.

(C)

The licensee ensures that the licensed professional reviews staff performance as the licensed professional deems necessary, but at least once a year.

(6)

The licensee agrees in writing to comply with all aspects of the client's care plans.
