

82091 Prohibited Health Conditions

(a)

Clients who require health services or have a health condition including, but not limited to, those specified below shall not be admitted or retained. (1)

Naso-gastric and naso-duodenal tubes. (2) Active, communicable TB. (3)

Conditions that require 24-hour nursing care and/or monitoring. (4) Stage 3 and 4 pressure sores (dermal ulcers). (5) Any other condition or care requirements which would require the day program to be licensed as a health facility as defined by Health and Safety Code Section 1250.

(1)

Naso-gastric and naso-duodenal tubes.

(2)

Active, communicable TB.

(3)

Conditions that require 24-hour nursing care and/or monitoring.

(4)

Stage 3 and 4 pressure sores (dermal ulcers).

(5)

Any other condition or care requirements which would require the day program to be licensed as a health facility as defined by Health and Safety Code Section 1250.

(b)

Waivers and exceptions will not be granted to accept or retain clients who have health conditions prohibited by Section 82091(a).
