

82577 Personal Services

(a)

When necessary, personal care assistance and supervision shall be provided to participants. This service shall include, but is not limited to, assistance with activities of daily living, such as walking, eating, grooming, toileting, and supervision of personal hygiene.

(b)

Psychosocial support services shall be available to each participant and his/her family. (1) The center shall assist participants and careproviders to understand and provide for each other's needs. (2) The center shall inform the family and careprovider of changes in the participant's physical, emotional, or cognitive status. (3) The center shall help the careprovider to understand any changes in the participant and make referrals as necessary.

(1)

The center shall assist participants and careproviders to understand and provide for each other's needs.

(2)

The center shall inform the family and careprovider of changes in the participant's physical, emotional, or cognitive status.

(3)

The center shall help the careprovider to understand any changes in the participant

and make referrals as necessary.

(c)

Information and referral services shall be available to the participants and their families.

(d)

The center shall establish linkages with other community agencies and instructions to staff to coordinate services.

(e)

Participants who are incontinent shall be taken to the toilet every two hours or as scheduled in the individual plan of care.

(f)

After incontinent elimination, the participant shall be cleaned and towel-dried.
