Section 83069.1@ Individualized Health Care Plans for Specialized Small Family Homes

83069.1 Individualized Health Care Plans for Specialized Small Family Homes

(a)

The licensee shall not accept a child with special health care needs unless the licensee has obtained an individualized health care plan for the child. The plan shall include the following information: (1) The name, address, and phone number of the health care professional responsible for monitoring the child's ongoing health care. (2) The appropriate number of hours of on-site supervision and monitoring, and the appropriate number of hours of off-site supervision and monitoring, needed to be provided by the monitor designated in Section 83069.1(a)(1). (3) Documentation by the child's individualized health care plan team identifying the specialized in-home health care to be administered by a health care professional or responsible adult trained by a health care professional. (4) Arrangements for in-home health support services if required. (5) Specific responsibilities of the licensee for the provision of specialized in-home health care, including any required training and/or additional training. (A) If the specialized small family home has, or will have, four or more children in placement, the individualized health care plan shall include the hours, if any, during which the child will not require an in-home health care provider to deliver specialized in-home health care. (6) Identification of any available and funded medical services that are to be provided to the child in the home which may include, but is

not limited to, assistance from health care professionals. (7) Identification of any psychological, emotional, behavioral, or medical problems that will be identified in the child's needs and services plan or the medical assessment specified in Section 80069.
