

## **83065 Personnel Requirements**

### **(a)**

In addition to Section 80065, the following shall apply.

### **(b)**

Physician reports from general practitioners or specialists may be required after licensure if the licensing agency has reason to believe that a licensee's or staff member's physical and/or mental health is not adequate to carry out responsibilities under these regulations. (1) The licensing agency shall provide the licensee a written explanation of the need for the additional report.

### **(1)**

The licensing agency shall provide the licensee a written explanation of the need for the additional report.
