Section 84069.2@ Individualized Health Care Plans for Specialized Group Homes

84069.2 Individualized Health Care Plans for Specialized Group Homes

(a)

The licensee shall not accept any child with special health care needs unless the licensee has obtained an individualized health care plan for the child. The plan shall include the following information: (1) The name, address, and phone number of the health care professional responsible for monitoring the child's ongoing health care. (2) The appropriate number of hours of on-site supervision and monitoring, and the appropriate number of hours of off-site supervision and monitoring, needed to be provided by the monitor designated in Section 84069.2(a)(1). (3) For children with special health care needs placed as of November 1, 1993: (A) Documentation by the child's individualized health care plan team identifying the specialized in-home health care to be administered by a health care professional or responsible adult trained by a health care professional. (B) Specific responsibilities of staff for the provision of specialized in-home health care. (C) Identification of any available and funded medical services that are to be provided to the child in the home which may include, but is not limited to, assistance from health care professionals. (4) For children with special health care needs placed after November 1, 1993: (A) Documentation by the child's individualized health care plan team identifying the specialized in-home health care to be administered by one or more health care professionals. (B) Specific

responsibilities of the health care professional(s) for the provision of specialized in-home health care. (C) Identification of any available and funded medical services that are to be provided to the child in the home including the name, address and telephone number of each health care professional or agency that is to provide medical services to the child in the home. (5) Arrangements for in-home health support services if required. (6) Identification of any psychological, emotional, behavioral, or medical problems that will be identified in the child's needs and services plan or the medical assessment specified in Section 80069.

(1)

The name, address, and phone number of the health care professional responsible for monitoring the child's ongoing health care.

(2)

The appropriate number of hours of on-site supervision and monitoring, and the appropriate number of hours of off-site supervision and monitoring, needed to be provided by the monitor designated in Section 84069.2(a)(1).

(3)

For children with special health care needs placed as of November 1, 1993:(A)

Documentation by the child's individualized health care plan team identifying the specialized in-home health care to be administered by a health care professional or responsible adult trained by a health care professional. (B) Specific responsibilities of staff for the provision of specialized in-home health care. (C) Identification of any available and funded medical services that are to be provided to the child in the home which may include, but is not limited to, assistance from health care professionals.

(A)

Documentation by the child's individualized health care plan team identifying the specialized in-home health care to be administered by a health care professional or responsible adult

trained by a health care professional.

(B)

Specific responsibilities of staff for the provision of specialized in-home health care.

(C)

Identification of any available and funded medical services that are to be provided to the child in the home which may include, but is not limited to, assistance from health care professionals.

(4)

For children with special health care needs placed after November 1, 1993: (A) Documentation by the child's individualized health care plan team identifying the specialized in-home health care to be administered by one or more health care professionals. (B) Specific responsibilities of the health care professional(s) for the provision of specialized in-home health care. (C) Identification of any available and funded medical services that are to be provided to the child in the home including the name, address and telephone number of each health care professional or agency that is to provide medical services to the child in the home.

(A)

Documentation by the child's individualized health care plan team identifying the specialized in-home health care to be administered by one or more health care professionals.

(B)

Specific responsibilities of the health care professional(s) for the provision of specialized in-home health care.

(C)

Identification of any available and funded medical services that are to be provided to the child in the home including the name, address and telephone number of each health care professional or agency that is to provide medical services to the child in the home.

(5)

Arrangements for in-home health support services if required.

(6)

Identification of any psychological, emotional, behavioral, or medical problems that will be identified in the child's needs and services plan or the medical assessment specified in Section 80069.

(b)

The individualized health care plan for each child with special health care needs shall be updated at least every six months or sooner if the needs of the child change.

(c)

For any child with special health care needs the hospital discharge plan may be adopted by the individualized health care plan team as the child's individualized health care plan.

(d)

The individualized health care plan may be combined with the child's needs and services plan or regional center individual program plan provided that all the information required by each plan is included.
