Section 84066.1@ Additional Personnel Records for Specialized Group Homes

## **84066.1 Additional Personnel Records for Specialized Group Homes**

### **(a)**

The licensee shall ensure that the personnel records of all persons subject to the requirements of Section 84065.1(a) contain the following: (1) For any training or additional training from which the licensee or other in-home health care provider is exempt: (A) Documentation that the child's individualized health care plan team has determined that it is not necessary for the in-home health care provider to complete the specialized in-home health care training or additional training. 1. Documentation may be provided in different ways, including but not limited to, a written statement from a member designated by the team that the team has been notified and has determined that the training or additional training is unnecessary. (B) A copy of a valid license or certificate indicating that they are a licensed health care professional. (2) For any training or additional training from which the in-home health care provider is not exempt: (A) Documentation, by a health care professional providing the training, that the licensee has successfully completed the specialized in-home health care training specified in Section 84065.1(a)(1).

### **(1)**

For any training or additional training from which the licensee or other in-home health care provider is exempt: (A) Documentation that the child's individualized health care plan team has determined that it is not necessary for the in-home health care provider

to complete the specialized in-home health care training or additional training. 1. Documentation may be provided in different ways, including but not limited to, a written statement from a member designated by the team that the team has been notified and has determined that the training or additional training is unnecessary. (B) A copy of a valid license or certificate indicating that they are a licensed health care professional.

**(A)**

Documentation that the child's individualized health care plan team has determined that it is not necessary for the in-home health care provider to complete the specialized in-home health care training or additional training. 1. Documentation may be provided in different ways, including but not limited to, a written statement from a member designated by the team that the team has been notified and has determined that the training or additional training is unnecessary.

**1.**

Documentation may be provided in different ways, including but not limited to, a written statement from a member designated by the team that the team has been notified and has determined that the training or additional training is unnecessary.

**(B)**

A copy of a valid license or certificate indicating that they are a licensed health care professional.

**(2)**

For any training or additional training from which the in-home health care provider is not exempt: (A) Documentation, by a health care professional providing the training, that the licensee has successfully completed the specialized in-home health care training specified in Section 84065.1(a)(1).

**(A)**

Documentation, by a health care professional providing the training, that the licensee has successfully completed the specialized in-home health care training specified in Section 84065.1(a)(1).

**(b)**

The licensee shall ensure that the personnel records of all persons subject to the requirements of Section 84065.1(b) contain the following:(1) Documentation that the child's individualized health care plan team has determined that the in-home health care provider has the necessary medical qualifications and expertise to meet the child's specialized in-home health care needs. (A) Documentation shall be updated each time the child's specialized in-home health care needs change. (B) Documentation may be provided in different ways, including, but not limited to, a written statement from a member designated by the team that the team has been notified and has determined that the in-home health care provider has the necessary medical qualification to meet the child's specialized in-home health care needs. (2) A copy of a valid license or certificate indicating that they are a licensed health care professional.

**(1)**

Documentation that the child's individualized health care plan team has determined that the in-home health care provider has the necessary medical qualifications and expertise to meet the child's specialized in-home health care needs. (A)

Documentation shall be updated each time the child's specialized in-home health care needs change. (B) Documentation may be provided in different ways, including, but not limited to, a written statement from a member designated by the team that the team has been notified and has determined that the in-home health care provider has the necessary medical qualification to meet the child's specialized in-home health care needs.

**(A)**

Documentation shall be updated each time the child's specialized in-home health care needs change.

**(B)**

Documentation may be provided in different ways, including, but not limited to, a written statement from a member designated by the team that the team has been notified and has determined that the in-home health care provider has the necessary medical qualification to meet the child's specialized in-home health care needs.

**(2)**

A copy of a valid license or certificate indicating that they are a licensed health care professional.

**(c)**

For each volunteer caring for children in a specialized group home, the licensee shall have on file the record of a health screening and test for tuberculosis as specified in Section 84065.1(c). The health screening shall be used in place of the volunteer statement specified in Section 80065(g)(3)(A).
