

## **84268.4 Removal and/or Discharge Procedures**

### **(a)**

The licensee or designee shall cooperate with the placement agency in developing a discharge plan for the child.

### **(b)**

The following items shall accompany the child to the new placement: (1) Copies of case files, assessments, the discharge plan, the daily activity schedule, and the child's medical history. (2) The child's prognosis and the facility's recommendations for further treatment, education, and placement. (A) The discharge plan may include this information. (3) Personal clothing, toys and objects and the child's scrapbook.

#### **(1)**
