

84764 Administrator Qualifications and Duties

In addition to Sections 80064 and 84064 , with the exception of Section 84064 , the following shall apply:

(a)

An administrator of a Group Home for Children with Special Health Care Needs must be on duty at least 20 hours per week to ensure the effective operation of the facility.

(b)

An administrator of a Group Home for Children with Special Health Care Needs shall meet the Administrator Certification Requirements of Section 84064.2, have at least one year of administrative and supervisory experience with a licensed residential program for persons with developmental disabilities and be one or more of the following: (1) A licensed registered nurse. (2) A licensed nursing home administrator at the time of facility licensure. (3) A licensed psychiatric technician with at least five years of experience serving individuals with developmental disabilities. (4) An individual with a bachelor's degree or more advanced degree in the health or human services field and two years of experience working in a licensed residential program for persons with developmental disabilities and special health care needs.

(1)

A licensed registered nurse.

(2)

A licensed nursing home administrator at the time of facility licensure.

(3)

A licensed psychiatric technician with at least five years of experience serving individuals with developmental disabilities.

(4)
