

86023 Disaster and Mass Casualty Plan

(a)

THPP licensees are subject to the following: (1) Each licensee shall develop and provide a current, emergency plan for the THPP participants. (2) The emergency plan shall include emergency information, instructions and telephone numbers, including a 24-hour emergency number for the licensee and the participant's responsible party. (3) The licensee shall ensure that each staff and resident understands and is capable of implementing the plan.

(1)

Each licensee shall develop and provide a current, emergency plan for the THPP participants.

(2)

The emergency plan shall include emergency information, instructions and telephone numbers, including a 24-hour emergency number for the licensee and the participant's responsible party.

(3)

The licensee shall ensure that each staff and resident understands and is capable of implementing the plan.
