

86511 Advertisements and License Number

(a)

Licensees shall ensure that each crisis nursery license number is revealed in all advertisements in accordance with Health and Safety Code Section 1514.

(b)

Correspondence shall be considered a form of advertisement if the intent is to attract clients.

(c)

Licensees who operate more than one crisis nursery and use a common advertisement for these crisis nurseries shall be required to list each crisis nursery license number in accordance with Health and Safety Code Section 1514.
