

86586 Alterations to Existing Buildings or New Facilities

(a)

Prior to construction or alterations, the licensee shall ensure that the Department is notified of the proposed change.

(b)

The Department shall have the authority to require that the licensee have a building inspection by a local building inspector if the Department suspects that a hazard to the children's health and safety exists.

(c)

Prior to construction or alterations, the licensee shall obtain building permits as required by state or local law.
