

## **89134 Finances-Private Adoption Agencies**

### **(a)**

The agency shall be financially able to provide the services which it offers. If budget limitations exist, the scope and size of the agency's services shall be curtailed to a point that will permit available funds to maintain an adequate quality of service.

### **(b)**

The agency may solicit funds but this shall not be a condition of placement of a child for adoption.

### **(c)**

Sufficient funds shall be available to provide continuing care for children relinquished to the adoption agency who may require prolonged study or treatment before placement, for children who may be returned to it prior to completion of the adoption, and for relinquished children who cannot be placed for adoption.

### **(d)**

Policies and practices governing receipt and expenditures of money shall be in accord with sound budgeting, disbursement and audit control procedures.

### **(e)**

Financial records shall be maintained of receipts, disbursements, assets and liabilities. Financial records shall be kept in accordance with accepted accounting

practices.
