

## **89235 Conditions for Forfeiture of a Foster Family Home License**

### **(a)**

Conditions for forfeiture of a license are specified in Health and Safety Code section 1524.

### **(b)**

The caregiver abandons the home when: (1) The caregiver informs the licensing agency that the caregiver no longer accepts responsibility for the home, or (2) The licensing agency is unable to determine the caregiver's whereabouts after the licensing agency has: (A) Requested information of the caregiver's whereabouts from an adult at the home if an adult can be contacted, and (B) Made at least one phone call per day to the caregiver's last telephone number of record for five consecutive workdays with no response, and (C) Sent a certified letter to the caregiver's last mailing address of record requesting that the caregiver contact the licensing agency with no response within seven calendar days.

#### **(1)**

The caregiver informs the licensing agency that the caregiver no longer accepts responsibility for the home, or

#### **(2)**

The licensing agency is unable to determine the caregiver's whereabouts after the licensing agency has: (A) Requested information of the caregiver's whereabouts from

an adult at the home if an adult can be contacted, and (B) Made at least one phone call per day to the caregiver's last telephone number of record for five consecutive workdays with no response, and (C) Sent a certified letter to the caregiver's last mailing address of record requesting that the caregiver contact the licensing agency with no response within seven calendar days.

**(A)**

Requested information of the caregiver's whereabouts from an adult at the home if an adult can be contacted, and

**(B)**

Made at least one phone call per day to the caregiver's last telephone number of record for five consecutive workdays with no response, and

**(C)**

Sent a certified letter to the caregiver's last mailing address of record requesting that the caregiver contact the licensing agency with no response within seven calendar days.

**(c)**

If the caregiver dies or abandons the home and a responsible adult with control of the property continues to operate the home, he or she shall file a new application and include evidence of the caregiver's death if applicable. The responsible adult shall be subject to Section 89206, Operation Without A License if a new license is not obtained.
