

## **89405 Training Requirements**

### **(a)**

The caregiver is required to complete training as specified in Health and Safety Code section 1522.44. (1) The following courses, seminars, conferences, or training accepted by the licensing agency to meet the training requirements include, but are not limited to: (A) Child development, (B) Recognizing and assisting a "child" with learning disabilities, (C) Infant care and stimulation, (D) Parenting skills, (E) Complexities, demands and special needs of children in the home, (F) Building self-esteem of a "child," (G) Recordkeeping, (H) Caregiver rights, responsibilities, and grievance process, (I) Licensing and placement regulations, and (J) Existing laws and procedures regarding the safety of foster youth at school as specified in the California Student Safety and Violence Prevention Act of 2000. (K) Instruction on cultural competency and sensitivity relating to, and best practices for, providing adequate care to lesbian, gay, bisexual and transgender youth in out-of-home care. (L) A child's right to receive sexual and reproductive health care and information. (M) A child's right to have their sensitive health information kept confidential. (N) The duties and responsibilities of the assigned case management worker and the caregiver to ensure that children can obtain sexual and reproductive health services and information. (O) Guidance about how to engage and talk with children about healthy sexual development and reproductive and sexual health in a manner that is medically accurate, age or

developmentally appropriate, trauma informed, and strengths based. (P)

Information about current contraception methods and how to select and provide appropriate referral resources and materials for information and service delivery.
