Article 5@ Special Health Care Needs

|-&gt;

Section 89565.1@ Caregiver Requirements for Specialized Foster Family Homes

## **89565.1 Caregiver Requirements for Specialized Foster Family Homes**

### **(a)**

The caregiver and any other person who provides specialized in-home health care to a "child with special health care needs" as specified in Welfare and Institutions Code section 17731, subsections (c)(3) and (5) shall comply with applicable regulations in Section 89465, Caregiver Requirements and the requirements of this section.

### **(b)**

Before caring for a "child with special health care needs" or when a child's needs change, the caregiver and any other person, as specified in subsection (a), who provides care to a "child with special health care needs" shall complete training provided by a health care professional as required by a child's individualized health care plan, except when: (1) The caregiver and any other person who provides care to a "child with special health care needs" is a licensed health care professional, and (2) A child's individualized health care plan team determines that completion of specialized in-home health care training is unnecessary based on the medical qualifications and expertise of the caregiver and any other person who provides care to a "child with special health care needs."

### **(1)**

The caregiver and any other person who provides care to a "child with special health

care needs" is a licensed health care professional, and

**(2)**

A child's individualized health care plan team determines that completion of specialized in-home health care training is unnecessary based on the medical qualifications and expertise of the caregiver and any other person who provides care to a "child with special health care needs."
