

## **90304 Plan Development Guidelines**

### **(a)**

The 1980-81 Plan Development Guidelines as adopted by the Office of Statewide Health Planning and Development in accordance with requirements of this division are incorporated in this article by this reference.

### **(b)**

Such Guidelines shall be reviewed, and revised as necessary, by the Office, on an annual basis in accordance with the provisions of the Administrative Procedures Act.

### **(c)**

Copies of the adopted guidelines may be reviewed in the Office of Statewide Health Planning and Development, 714 "P" Street, Room 1050, Sacramento, California 95814. It having been found that the printing of the regulation constituting the 1980-81 Plan Development Guidelines would be impractical and that the regulation would be of limited and particular application, pursuant to Government Code, Section 11409(a), the regulation is not published in full in the California Administrative Code.
