

90429 Amendments to Applications

(a)

Amendments to an application shall be submitted in writing to the Office and the appropriate area agency.

(b)

An application with amendments shall be treated as a new application, unless:

(1) The amendments do not materially affect the scope, location, or cost of the proposed project, or change the identity of the proposed licensee; and (2)

Extensive additional analysis of the application is not necessitated by the amendments.

(1)

The amendments do not materially affect the scope, location, or cost of the proposed project, or change the identity of the proposed licensee; and

(2)

Extensive additional analysis of the application is not necessitated by the amendments.

(c)

The applicant may be required to pay additional fees as determined by the office.
