

90422 Projects for Sole Community Providers or Long Term Care

(a)

For purposes of this section and Health and Safety Code Section 437.15 a sole community provider is any general acute care hospital eligible to be designated as a primary health service hospital pursuant to Health and Safety Code Section 1339.9.

(b)

An application eligible for consideration under Health and Safety Code Section 437.15 shall be filed on the forms specified by the Office for such projects.

(c)

Upon receipt of an application on forms specified by the Office, the Division shall evaluate the application to determine whether the project is for a sole community provider or long term care.

(d)

If the Division determines that the project is for a sole community provider or long term care the Division shall publish the notice required by paragraph 2 of subdivision (c) of Health and Safety Code Section 437.15.

(e)

If the Division determines that the project is not for a sole community provider or long term care the Division shall so notify the applicant and shall treat the

application as a notice of intent pursuant to Health and Safety Code Section 438.3.
