

## **90950 Statement of Policy**

### **(a)**

It is the policy of the Office of Statewide Health Planning and Development, in carrying out its responsibilities under Part 1.5 of Division 1, Health and Safety Code, to follow all applicable procedures and requirements of the California Environmental Quality Act and of Chapter 3, Division 6, Title 14, California Administrative Code, which implements CEQA.

### **(b)**

When acting as a lead agency the Office shall follow procedures established by the California Environmental Quality Act and by Chapter 3 of Title 14, California Administrative Code.

### **(c)**

Procedures and requirements set forth in sufficient detail and with sufficient clarity in CEQA and its implementing regulations shall not be reiterated herein.
