

§ 76613. Client Property Storage.

(a) Each client shall be provided:

(1) Furniture appropriate to the client's needs, such as a chest of drawers, a table or desk, and an individual closet with clothes racks and shelves accessible to the client.

(2) Suitable storage for personal possessions, such as toys and individual prosthetic equipment, so that they are accessible to the client.

Note: Authority cited: Section 208 (a), Health and Safety Code. Reference: Section 1276, Health and Safety Code.
