

96025 Request for Modifications to Requirements

To obtain modifications to the requirements specified for electronic file formats, effective date of the documents, submission date of the documents, or methods of submitting electronic files, hospitals shall file written requests for modification with the Office. Hospitals shall have an Office-approved modification prior to implementation of any change to the applicable requirements. Modification requests shall specify the precise changes being requested and the reason(s) the changes are needed. The Office shall either approve or disapprove requests for modification on a case-by-case basis.
