

## **97177.30 Data Transmittal Requirements**

For discharges beginning January 1, 2009:

Hospitals submitting a report shall include the following information to transmit each report: the hospital name, the facility identification number, the report period, the number of records in the report and the following statement of certification:

I certify under penalty of perjury that I am an official of this hospital and am duly authorized to transmit these data; and that, to the extent of my knowledge and information the accompanying records are true and correct, and that the applicable definitions of the data elements as set forth in Article 7, of Chapter 10 of Division 7 of Title 22 of the California Code of Regulations, have been followed by this hospital.
