

## **97520.5 Admission Procedures**

### **(a)**

Postsurgical Recovery Care Facilities shall have written procedures for admission governing: (1) Postsurgical assessment on admission--such assessment shall be conducted by the Medical Director or a registered nurse in order to determine the condition of the patient at the time of admission. (2) Criteria for refusing admission. (3) Modes of transportation of patients.

#### **(1)**

Postsurgical assessment on admission--such assessment shall be conducted by the Medical Director or a registered nurse in order to determine the condition of the patient at the time of admission.

#### **(2)**

Criteria for refusing admission.

#### **(3)**

Modes of transportation of patients.

### **(b)**

The procedures for admission shall identify the individual(s) responsible for patient admission.

### **(c)**

The admission procedures shall be reviewed and approved by the Office.
