

## **100018.02 Requirements for Instructor Training for Pediatric First Aid and CPR**

### **(a)**

Only instructors who possess a current pediatric first aid and CPR card shall teach EMSA-approved pediatric first aid and CPR training program courses.

### **(b)**

Approved training programs shall determine which of the following hours of training are required for instructors, based on competency in essential knowledge and skills and previous hours of training in relevant courses. (1) Eight hours of training in the approved program curriculum are required for instructor certification/authorization after completion of first aid and CPR training and/or demonstrated competency in essential skills. (2) Thirty-two hours of training are required for instructor certification/authorization if applicant has no prior training and/or demonstrated competency in essential skills.

#### **(1)**

Eight hours of training in the approved program curriculum are required for instructor certification/authorization after completion of first aid and CPR training and/or demonstrated competency in essential skills.

#### **(2)**

Thirty-two hours of training are required for instructor certification/authorization if applicant has no prior training and/or demonstrated competency in essential skills.

**(c)**

This training shall be provided by the approved training program that is hiring, franchising, or affiliating with an instructor. The training shall be given as a condition of hiring, franchising, or affiliating with an instructor, and shall include, but not be limited to, the course content specified in Section 100018.03 of this chapter.

**(d)**

Each training organization shall maintain written verification of instructor qualifications for each certified instructor.
