

## **100018.04 Requirements for Instructor Training for Child Preventive Health and Safety**

### **(a)**

Only instructors who possess a current pediatric first aid and CPR card shall teach approved child preventive health and safety training program courses. In addition, all child preventive health and safety instructors shall have completed a minimum of twenty-four hours of child preventive health and safety training that included, but is not limited to, the course content specified in Section 100019.02(b) of this chapter, within twelve months prior to beginning to teach an approved program. Until January 1, 2001, the twenty-four hours of training may include preventive health and safety training given by the instructor.

### **(b)**

Approved training programs shall determine which of the following hours of training are required for instructors, based on competency in essential knowledge and skills and previous hours of training in relevant courses. (1) Eight hours of training in the approved program curriculum are required for instructor certification/authorization if applicant has previous instructor training after completion of first aid, CPR, and preventive health and safety training and/or demonstrated competency in essential skills. (2) Twenty-four hours of training are required for instructor certification/authorization if applicant has no prior instructor training and/or demonstrated competency in essential skills.
