Section 100027.06@ Public Safety First Aid and CPR Retraining Requirements

100027.06 Public Safety First Aid and CPR Retraining Requirements

(a)

The retraining requirements of this Chapter shall be satisfied every two years by successful completion of: (1) An approved retraining course which includes a review of the topics and demonstration of skills prescribed in this Chapter and which consists of no less than eight (8) hours of first aid and CPR including AED every two (2) years; or (2) By maintaining current and valid licensure or certification as an EMR, EMT, Advanced EMT, Paramedic, Registered Nurse, Physician Assistant, Physician or by maintaining current and valid EMR, EMT, AEMT or Paramedic registration from the National Registry of EMTs; or (3) Successful completion of a competency based written and skills pretest of the topics and skills prescribed in this Chapter with the following restrictions: (A) That appropriate retraining be provided on those topics indicated necessary by the pretest, in addition to any new developments in first aid and CPR; (B) A final test be provided covering those topics included in the retraining for those persons failing to pass the pretest; and (C) The hours for the retraining may be reduced to those hours needed to cover the topics indicated necessary by the pretest.

(1)

An approved retraining course which includes a review of the topics and demonstration of skills prescribed in this Chapter and which consists of no less than eight (8) hours of

first aid and CPR including AED every two (2) years; or

(2)

By maintaining current and valid licensure or certification as an EMR, EMT, Advanced EMT, Paramedic, Registered Nurse, Physician Assistant, Physician or by maintaining current and valid EMR, EMT, AEMT or Paramedic registration from the National Registry of EMTs; or

(3)

Successful completion of a competency based written and skills pretest of the topics and skills prescribed in this Chapter with the following restrictions: (A) That appropriate retraining be provided on those topics indicated necessary by the pretest, in addition to any new developments in first aid and CPR; (B) A final test be provided covering those topics included in the retraining for those persons failing to pass the pretest; and (C) The hours for the retraining may be reduced to those hours needed to cover the topics indicated necessary by the pretest.

(A)

That appropriate retraining be provided on those topics indicated necessary by the pretest, in addition to any new developments in first aid and CPR;

(B)

A final test be provided covering those topics included in the retraining for those persons failing to pass the pretest; and

(C)

The hours for the retraining may be reduced to those hours needed to cover the topics indicated necessary by the pretest.

(b)

The entire retraining course or pretest may be offered yearly by any approved training course, as defined in Section 100028.01, but in no event shall the

retraining course including CPR and AED or pretest be offered less than once every two (2) years.
