

## **100519 Commission Review of Contract Recommendations**

### **(a)**

At the meeting of the commission following the recommendation of the executive director in respect to any contract, the commission shall serve as a review body, and may, by majority vote: (1) approve a proposed contract; (2) disapprove a proposed contract; (3) disapprove in part a proposed contract; (4) disapprove a proposed contract subject to specified conditions; (5) take other appropriate action upon the advise of the executive director.

#### **(1)**

approve a proposed contract;

#### **(2)**

disapprove a proposed contract;

#### **(3)**

disapprove in part a proposed contract;

#### **(4)**

disapprove a proposed contract subject to specified conditions;

#### **(5)**

take other appropriate action upon the advise of the executive director.

### **(b)**

In the event the commission takes action pursuant to (a)(3) or (a)(4) above, such action is a disapproval of the entire proposed contract unless the contractor

assents to such partial disapproval or specified conditions within ten (10) days following the commission meeting.

**(c)**

Contracts shall be deemed approved by the commission if, within twenty (20) days after approval by the executive director, no action is taken by the commission pursuant to subparagraphs (1) through (4) above, unless such twenty days time limit is waived by the contractor.
