Section 101226.2@ Isolation for Illness

## **101226.2 Isolation for Illness**

### **(a)**

A center shall be equipped to isolate and care for any child who becomes ill during the day. (1) The isolation area shall be located to afford easy supervision of children by center staff. (2) The isolation area shall be equipped with a mat, cot, couch or bed for each ill child. (3) The isolation area shall not be located in the kitchen area or the general-use toilet area. (4) Each combination center and each single license child care center, shall have at least one isolation area that serves all licensed components.

#### **(1)**

The isolation area shall be located to afford easy supervision of children by center staff.

#### **(2)**

The isolation area shall be equipped with a mat, cot, couch or bed for each ill child.

#### **(3)**

The isolation area shall not be located in the kitchen area or the general-use toilet area.

#### **(4)**

Each combination center and each single license child care center, shall have at least one isolation area that serves all licensed components.

### **(b)**

The child's authorized representative shall be notified immediately when the child

becomes ill enough to require isolation, and shall be asked to have the child removed from the center as soon as possible.
