

## **101426.2 Infant Care Isolation for Illness**

### **(a)**

In addition to Section 101226.2, the following shall apply:

### **(b)**

The isolation area shall be equipped with a crib, cot, mat or playpen for each ill infant.

### **(c)**

Any infant in the isolation area shall be under constant visual observation by a director, an assistant director, a teacher or an aide.
