Section 101561@ Child Care Center for Mildly Ill Children-Limitations on Capacity and Ambulatory Status

101561 Child Care Center for Mildly Ill

Children-Limitations on Capacity and Ambulatory Status

(a)

In addition to Section 101161, the following shall apply:

(b)

In each combination child care center and each single license child care center with a Level I or Level II component for mildly ill children, facilities and rooms designated for, and used by, mildly ill children shall not be used by children or staff from any other child care center component except as specified in Section 101561(b)(1). (1) When mildly ill children are not being cared for in the Level I or Level II component, staff and children from another child care center component may use facilities and rooms designated for, and used by, the Level I or Level II component if a qualified staff person approves and sanitation procedures as specified in Section 101638.1 are followed as determined to be necessary by the qualified staff person.

(1)

When mildly ill children are not being cared for in the Level I or Level II component, staff and children from another child care center component may use facilities and rooms designated for, and used by, the Level I or Level II component if a qualified staff person approves and sanitation procedures as specified in Section 101638.1 are followed as determined to be necessary by the qualified staff person.

(c)

To prevent the spread of illnesses in each combination center and each single license child care center with a Level I or Level II component, mildly ill children who begin their day in the Level I or Level II component shall not transfer into any other child care center component for that day unless a qualified staff person approves and the criteria specified in Section 101626.1 are met. (1) When a child is moved from a Level I or Level II component to another child care center component, the licensee shall document the move in the child's record.

(1)

When a child is moved from a Level I or Level II component to another child care center component, the licensee shall document the move in the child's record.

(d)

Staff who begin their day in the Level I or Level II component shall not transfer into any other child care center component for that day unless a qualified staff person approves and sanitation procedures as specified in Section 101638.1(d) are followed. (1) The licensee shall document in the staff file when staff members must follow sanitation procedures as specified in Section 101638.1(d) to prevent the spread of illnesses.

(1)

The licensee shall document in the staff file when staff members must follow sanitation procedures as specified in Section 101638.1(d) to prevent the spread of illnesses.
