

101582 Child Care Center for Mildly Ill Children-Issuance of a License

(a)

In addition to Section 101182, the following shall apply:

(b)

Child care centers for mildly ill children shall be issued a separate license unless the center is a component of a single license child care center. (1) This requirement shall apply even when a child care center for mildly ill children is a Level I or Level II component of a licensed combination child care center.

(1)

This requirement shall apply even when a child care center for mildly ill children is a Level I or Level II component of a licensed combination child care center.
