110566 National Directory of New Hires

"National Directory of New Hires" means a national database containing new hire and quarterly wage data from every state and federal agency and unemployment insurance data from state employment security agencies. Data contained is first reported to each state's State Directory of New Hires and then transmitted to the National Directory of New Hires. The Office of Child Support Enforcement maintains the National Directory of New Hires as part of the expanded Federal Parent Locator Service.
