

121100 General Provisions

(a)

Each local child support agency shall submit to the Department the data specified in this Article so that the Department may measure the performance of each local child support agency in securing child support, spousal support, medical support, and determinations of paternity. (1) The data required pursuant to Section 121120(b), for state performance measures, shall be submitted on a quarterly basis. (2) The data required pursuant to Section 121140(b), for federal performance measures, shall be submitted on an annual basis.

(1)

The data required pursuant to Section 121120(b), for state performance measures, shall be submitted on a quarterly basis.

(2)

The data required pursuant to Section 121140(b), for federal performance measures, shall be submitted on an annual basis.

(b)

The Department shall collect and analyze the data submitted by each local child support agency in establishing baseline performance standards that shall be met by each local child support agency.
