Record the number of **calendar days** that the resident received Speech-Language Pathology and Audiology Services, Occupational Therapy, or Physical Therapy for at least 15 minutes since the start date of the resident's most recent Medicare Part A stay (A2400B)

Item Rationale

To record the number of calendar days that the resident received Speech-Language Pathology and Audiology Services, Occupational Therapy, or Physical Therapy for at least 15 minutes during the Part A SNF stay.

Coding Instructions:

Enter the number of calendar days that the resident received Speech-Language Pathology and Audiology Services, Occupational Therapy, or Physical Therapy for at least 15 minutes during the SNF Part A stay (i.e., from the date in A2400B through the date in A2400C). If a resident receives more than one therapy discipline on a given calendar day, this may only count for one calendar day for purposes of coding item O0430. Consider the following example:

Example: *Resident* T was admitted to the SNF on Sunday 10/06/18 and discharged on Saturday 10/26/18. *They* received 60 minutes of physical therapy every Monday, Wednesday, and Friday during the SNF stay. *Resident* T also received 45 minutes of occupational therapy every Monday, Tuesday, and Friday during the stay. Given the therapy services received by *Resident* T during the stay, item **O0430 would be coded as 12** because therapy services were provided for at least 15 minutes on 12 distinct calendar days during the stay (i.e., every Monday, Tuesday, Wednesday, and Friday).
