

§ 1346.5. Entity purporting to be exempt health care service plan

If the director determines that an entity purporting to be a health care service plan exempt from the provisions of Section 740 of the Insurance Code is not a health care service plan, the director shall inform the Department of Insurance of that finding. However, if the director determines that an entity is a health care service plan, the director shall prepare and maintain for public inspection a list of those persons or entities described in subdivision (a) of Section 740 of the Insurance Code, which are not subject to the jurisdiction of another agency of this or another state or the federal government and which the director knows to be operating in the state. There shall be no liability of any kind on the part of the state, the director, and employees of the Department of Managed Health Care for the accuracy of the list or for any comments made with respect to it. Additionally, any solicitor or solicitor firm who advertises or solicits health care service plan coverage in this state described in subdivision (a) of Section 740 of the Insurance Code, which is provided by any person or entity described in subdivision (c) of that section, and where such coverage does not meet all pertinent requirements specified in the Insurance Code, and which is not provided or completely underwritten, insured or otherwise fully covered by a health care service plan, shall advise and disclose to any purchaser, prospective purchaser, covered person or entity, all financial and operational information relative to the content and scope of the plan and, specifically, as to the lack of plan coverage.
