

§ 1395. Advertising; Contracts with licensed professionals; Offices; Misrepresentations by plan; Compliance by plan

(a) Notwithstanding Article 6 (commencing with Section 650) of Chapter 1 of Division 2 of the Business and Professions Code, any health care service plan or specialized health care service plan may, except as limited by this subdivision, solicit or advertise with regard to the cost of subscription or enrollment, facilities and services rendered, provided, however, Article 5 (commencing with Section 600) of Chapter 1 of Division 2 of the Business and Professions Code remains in effect. Any price advertisement shall be exact, without the use of

such phrases as “as low as,” “and up,” “lowest prices” or words or phrases of similar import. Any advertisement that refers to services, or costs for the services, and that uses words of comparison must be based on verifiable data substantiating the comparison. Any health care service plan or specialized health care service plan so advertising shall be prepared to provide information sufficient to establish the accuracy of the comparison. Price advertising shall not be fraudulent, deceitful, or misleading, nor contain any offers of discounts, premiums, gifts, or bait of similar nature. In connection with price advertising, the price for each product or service shall be clearly identifiable. The price advertised for products shall include charges for any related professional services, including dispensing and fitting services, unless the advertisement specifically and clearly indicates otherwise.

(b) Plans licensed under this chapter shall not be deemed to be engaged in the practice of a profession, and may employ, or contract with, any professional licensed pursuant to Division 2 (commencing with Section 500) of the Business and Professions Code to deliver professional services. Employment by or a contract with a plan as a provider of professional services shall not constitute a ground for disciplinary action against a health professional licensed pursuant to Division 2 (commencing with Section 500) of the Business and Professions Code by a licensing agency regulating a particular health care profession.

(c) A health care service plan licensed under this chapter may directly own, and may directly operate through its professional employees or contracted licensed professionals, offices and subsidiary corporations, including pharmacies that satisfy the requirements of subdivision (d) of Section 4080.5 of the Business and Professions Code, as are necessary to provide health care services to the plan’s subscribers and enrollees.

(d) A professional licensed pursuant to the provisions of Division 2 (commencing with Section 500) of the Business and Professions Code who is employed by, or under contract to, a plan may not own or control offices or branch offices beyond those expressly permitted by the provisions of the Business and Professions Code.

(e) Nothing in this chapter shall be construed to repeal, abolish, or diminish the effect of Section 129450 of the Health and Safety Code.

(f) Except as specifically provided in this chapter, nothing in this chapter shall be construed to limit the effect of the laws governing professional corporations, as they appear in applicable provisions of the Business and Professions Code, upon specialized health care service plans.

(g) No representative of a participating health, dental, or vision plan or its subcontractor representative shall in any manner use false or misleading claims to misrepresent itself, the plan, the subcontractor, or the Healthy Families or Medi-Cal program while engaging in application assistance activities that are subject to this section. Notwithstanding any other provision of this chapter, any representative of the health, dental, or vision care plan or of the health, dental, or vision care plan’s subcontractor who violates any of the provisions of Section 12693.325 of the Insurance Code shall only be subject to a fine of five hundred dollars (\$500) for each of those violations.

(h) A health care service plan shall comply with Section 12693.325 of the Insurance Code and Section 14409 of the Welfare and Institutions Code. In addition to any other disciplinary powers provided by this chapter, if a health

care service plan violates any of the provisions of Section 12693.325 of the Insurance Code, the department may prohibit the health care service plan from providing application assistance and contacting applicants pursuant to Section 12693.325 of the Insurance Code.

§ 1395.5. Contract to restrict health care provider's advertising

(a) Except as provided in subdivisions (b) and (c), no contract that is issued, amended, renewed, or delivered on or after January 1, 1999, between a health care service plan, including a specialized health care service plan, and a provider shall contain provisions that prohibit, restrict, or limit the health care provider from advertising.

(b) Nothing in this section shall be construed to prohibit plans from establishing reasonable guidelines in connection with the activities regulated pursuant to this chapter, including those to prevent advertising that is, in whole or in part, untrue, misleading, deceptive, or otherwise inconsistent with this chapter or the rules and regulations promulgated thereunder. For advertisements mentioning a provider's participation in a plan, nothing in this section shall be construed to prohibit plans from requiring each advertisement to contain a disclaimer to the effect that the provider's services may be covered for some, but not all, plan contracts, or that plan contracts may cover some, but not all, provider services.

(c) Nothing in this section is intended to prohibit provisions or agreements intended to protect service marks, trademarks, trade secrets, or other confidential information or property. If a health care provider participates on a provider panel or network as a result of a direct contractual arrangement with a health care service plan that, in turn, has entered into a direct contractual arrangement with another person or entity, pursuant to which enrollees, subscribers, insureds, and other beneficiaries of that other person or entity may receive covered services from the health care provider, then nothing in this section is intended to prohibit reasonable provisions or agreements in the direct contractual arrangement between the health care provider and the health care service plan that protect the name or trade name of the other person or entity or require that the health care provider obtain the consent of the health care service plan prior to the use of the name or trade name of the other person or entity in any advertising by the health care provider.

(d) Nothing in this section shall be construed to impair or impede the authority of the director to regulate advertising, disclosure, or solicitation pursuant to this chapter.

HISTORY:

Added Stats 1998 ch 523 § 3 (SB 1951). Amended Stats 1999 ch 525 § 150 (AB 78), effective January 1, 2000, operative July 1, 2000.

§ 1395.6. Disclosure relating to health care provider's participation in network; Disclosures by contracting agent conveying its list of contracted health care providers and reimbursement rates; Election by provider to be excluded from list; Demonstration by payor of entitlement to pay contracted rate

(a) In order to prevent the improper selling, leasing, or transferring of a health care provider's contract, it is the intent of the Legislature that every arrangement that results in a payor paying a health care provider a reduced rate for health care services based on the health care provider's participation in a network or panel shall be disclosed to the provider in advance and that the payor shall actively encourage beneficiaries to use the network, unless the health care provider agrees to provide discounts without that active encouragement.

(b) Beginning July 1, 2000, every contracting agent that sells, leases, assigns, transfers, or conveys its list of contracted health care providers and their contracted reimbursement rates to a payor, as defined in subparagraph (A) of paragraph (3) of subdivision (d), or another contracting agent shall, upon entering or renewing a provider contract, do all of the following:

(1) Disclose to the provider whether the list of contracted providers may be sold, leased, transferred, or conveyed to other payors or other contracting agents, and specify whether those payors or contracting agents include workers' compensation insurers or automobile insurers.

(2) Disclose what specific practices, if any, payors utilize to actively encourage a payor's beneficiaries to use the list of contracted providers when obtaining medical care that entitles a payor to claim a contracted rate. For purposes of this paragraph, a payor is deemed to have actively encouraged its beneficiaries to use the list of contracted providers if one of the following occurs:

(A) The payor's contract with subscribers or insureds offers beneficiaries direct financial incentives to use the list of contracted providers when obtaining medical care. "Financial incentives" means reduced copayments, reduced deductibles, premium discounts directly attributable to the use of a provider panel, or financial penalties directly attributable to the nonuse of a provider panel.

(B) The payor provides information to its beneficiaries, who are parties to the contract, or, in the case of workers' compensation insurance, the employer, advising them of the existence of the list of contracted providers through the use of a variety of advertising or marketing approaches that supply the names, addresses, and telephone numbers of contracted providers to beneficiaries in advance of their selection of a health care provider, which approaches may include, but are not limited to, the use of provider directories, or the use of toll-free telephone numbers or Internet web site addresses supplied directly to every beneficiary. However, internet web site addresses alone shall not be deemed to satisfy the requirements of this subparagraph. Nothing in this subparagraph shall prevent contracting agents or payors from providing only listings of providers located within a reasonable geographic range of a beneficiary.

(3) Disclose whether payors to which the list of contracted providers may be sold, leased, transferred, or conveyed may be permitted to pay a provider's

contracted rate without actively encouraging the payors' beneficiaries to use the list of contracted providers when obtaining medical care. Nothing in this subdivision shall be construed to require a payor to actively encourage the payor's beneficiaries to use the list of contracted providers when obtaining medical care in the case of an emergency.

(4) Disclose, upon the initial signing of a contract, and within 30 calendar days of receipt of a written request from a provider or provider panel, a payor summary of all payors currently eligible to claim a provider's contracted rate due to the provider's and payor's respective written agreement with any contracting agent.

(5) Allow providers, upon the initial signing, renewal, or amendment of a provider contract, to decline to be included in any list of contracted providers that is sold, leased, transferred, or conveyed to payors that do not actively encourage the payors' beneficiaries to use the list of contracted providers when obtaining medical care as described in paragraph (2). Each provider's election under this paragraph shall be binding on the contracting agent with which the provider has the contract and any contracting agent that buys, leases, or otherwise obtains the list of contracted providers. A provider shall not be excluded from any list of contracted providers that is sold, leased, transferred, or conveyed to payors that actively encourage the payors' beneficiaries to use the list of contracted providers when obtaining medical care, based upon the provider's refusal to be included on any list of contracted providers that is sold, leased, transferred, or conveyed to payors that do not actively encourage the payors' beneficiaries to use the list of contracted providers when obtaining medical care.

(6) Nothing in this subdivision shall be construed to impose requirements or regulations upon payors, as defined in subparagraph (A) of paragraph (3) of subdivision (d).

(c) Beginning July 1, 2000, a payor, as defined in subparagraph (B) of paragraph (3) of subdivision (d), shall do all of the following:

(1) Provide an explanation of benefits or explanation of review that identifies the name of the network that has a written agreement signed by the provider whereby the payor is entitled, directly or indirectly, to pay a preferred rate for the services rendered.

(2) Demonstrate that it is entitled to pay a contracted rate within 30 business days of receipt of a written request from a provider who has received a claim payment from the payor. The failure of a payor to make the demonstration within 30 business days shall render the payor responsible for the amount that the payor would have been required to pay pursuant to the applicable health care service plan contract, including a specialized health care service plan contract, covering the beneficiary, which amount shall be due and payable within 10 business days of receipt of written notice from the provider, and shall bar the payor from taking any future discounts from that provider without the provider's express written consent until the payor can demonstrate to the provider that it is entitled to pay a contracted rate as provided in this paragraph. A payor shall be deemed to have demonstrated that it is entitled to pay a contracted rate if it complies with either of the following:

(A) Discloses the name of the network that has a written agreement with the provider whereby the provider agrees to accept discounted rates,

and describes the specific practices the payor utilizes to comply with paragraph (2) of subdivision (b).

(B) Identifies the provider's written agreement with a contracting agent whereby the provider agrees to be included on lists of contracted providers sold, leased, transferred, or conveyed to payors that do not actively encourage beneficiaries to use the list of contracted providers pursuant to paragraph (5) of subdivision (b).

(d) For the purposes of this section, the following terms have the following meanings:

(1) "Beneficiary" means:

(A) For workers' compensation insurance, an employee seeking health care services for a work-related injury.

(B) For automobile insurance, those persons covered under the medical payments portion of the insurance contract.

(4) "Payor summary" means a written summary that includes the payor's name and the type of plan, including, but not limited to, a group health plan, an automobile insurance plan, and a workers' compensation insurance plan.
